

Dear Dr Adam Chee,

**PRESIDENT'S VOLUNTEERISM & PHILANTHROPY AWARDS 2022**

Warm greetings to you!

Congratulations once again to Essilor Vision Foundation (ASEAN) - Migrant Workers' Centre (MWC) on being shortlisted for the recent President's Volunteerism & Philanthropy Awards (PVPA) 2022.

This year's nominations spanned a wide range of causes, showing that Singapore's culture of giving has grown and will continue to do so. The nominations also reflect the quiet and selfless determination of our people to do good even in uncertain and challenging times. It is most heartening to know that we have givers in the midst of us who willingly go above and beyond to meet the needs of others.

Your nomination is a strong testament to the efforts and contributions instrumental to building a nation of givers. We are certain that your giving efforts will continue to inspire the wider community to do good.

Once again, we thank you for participating in this year's President's Volunteerism & Philanthropy Awards (PVPA) and we wish you the very best as you continue to contribute to the giving landscape in Singapore. May you continue the good work and we would love to hear from you again for future PVPA nominations.

Together, let us become the City of Good!

With best wishes,

Tony Soh
